New Modifiers and Telehealth POS

Dear NH Medicaid Providers,

The following new modifiers listed below have been added to MMIS:

- FQ - the service was furnished using audio-only communication technology
- FR - the supervising practitioner was present through two-way, audio/video communication technology
- FS - split (or shared) Evaluation and Management service
- FT- unrelated Evaluation and Management (E/M) visit during a postoperative period, or on the same day as a procedure or another E/M visit

These modifiers are effective 4/1/2022 and are informational only.

The following place of service for telehealth has been added to MMIS:

Place of service 10: telehealth provided in a patient's home

Effective date of this addition is 4/1/2022.
