PATIENT LAST NAME:									PATIENT FIRST NAME:																	
SEC	SECTION IV: NON-PREFERRED DRUG APPROVAL CRITERIA																									
nec	Chapter 188 of the Laws of 2004 requires that Medicaid only cover non-preferred drugs upon a finding of medical necessity by the prescribing physician. Chapter 188 requires that you base your determination of medical necessity on the following criteria. Allergic reaction. Describe reaction:																									
	Drug-to-drug interaction. Describe reaction:																									
	Previous episode of an unacceptable side effect or therapeutic failure. Provide clinical information:																									
	Clinical contraindication, co-morbidity, or unique patient circumstance as a contraindication to a preferred drug. Provide clinical information:															drug.										
	Age-specific indications. Provide patient age and explain:																									
	Unique clinical indication supported by FDA approval or peer-reviewed literature. Explain and provide a reference:																									
	Una	ccept	table	clinica	əl risł	k ass	socia	ate	d wit	th th	erap	eu	tic	char	ıge.	Pleas	se ex	plaiı	1:							
	I certify that the information provided is accurate and complete to the best of my knowledge and I understand that any falsification, omission, or concealment of material fact may subject me to civil or criminal liability.
